

Digital Ink pen, Breakthrough Technology!

"Bring the Power of the Pen to your Desktop"

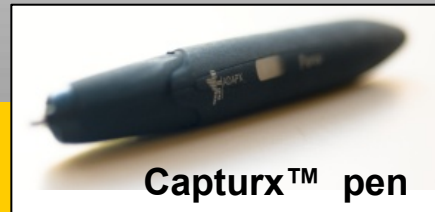

Does your organization fill out forms by hand?

- ✓ Expense Reports
- ✓ Time Sheets
- ✓ Sales Orders
- ✓ Service Requests
- ✓ Surveys
- ✓ Inspections
- ✓ Delivery Forms
- ✓ Activity Logs
- ✓ Inventory

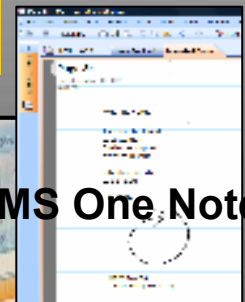

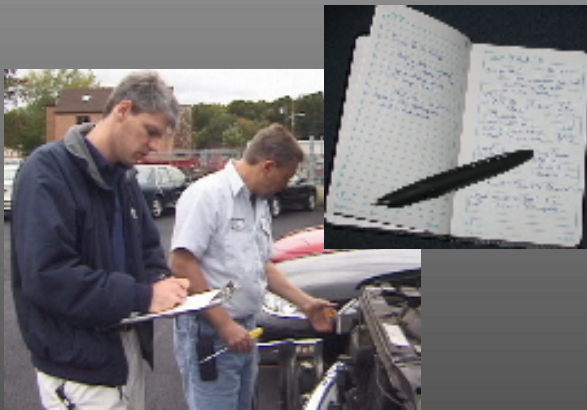

"Capture your critical information in ink just as you do today and have it converted "automatically" to editable digital text, including sketches!"

How do you do this?

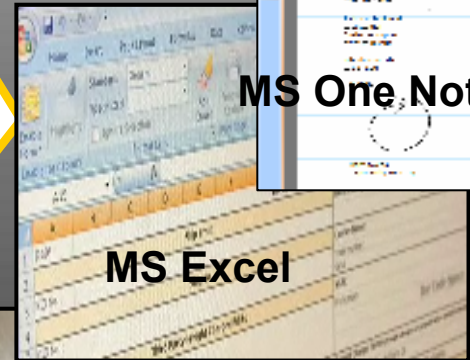

- Print your Excel files on ordinary paper forms
- Fill them out with the CapturX® digital pen
- Plug it into the USB cradle
- Your original handwriting is converted to digital text.
- All data is imported and stored digitally using Microsoft Office Excel files.
